If Cogniware does not provide Licensee with a PoE, then Cogniware may accept as the PoE the Purchase Contract, Contract of Work, Invoice, Original paid sales receipt or other sales record from the party (either Cogniware or Cogniware's Partner) from whom Licensee obtained the Program, provided that it specifies the Program name and Authorized Use obtained.

### 2. License

- 2.1. Cogniware or Cogniware's supplier benefits from all property rights to the Program. The Program is licensed and copyrighted, not sold.
- 2.2. The description and characteristics of the Program are specified in the official Documentation of the Product available at docs.cogniware.com or in the PoE and its alternatives.
- 2.3. Cogniware grants Licensee a nonexclusive license to use the Program up to the Authorized Use specified in the PoE, make and install copies to support such Authorized Use, and make a backup copy, all subject to the terms of this License Agreement.
- 2.4. By the right of using shall be understood installation and unbroken using of the Program for own and internal use in accordance with this License Agreement and related law. The Customer is further entitled to install the Program for the purpose of internal testing and development, but for non-production usage only.
- 2.5. The PoE may further specify the granted license. If there is contradiction between this License Agreement and the PoE, the PoE has precedence.
- 2.6. Cogniware Partners may obtain the right to re-sell Programs based on their purchase from Cogniware to deliver them to its customers. In such case this License Agreement is entered into between the Licensee and Cogniware, even though payments of license fee may be done using the Cogniware Partner as intermediate. Cogniware Partners remain independent and separate from Cogniware. Cogniware is not responsible for the actions or statements of Cogniware Partners or obligations they have to Licensee.

### 3. Licensee Obligations

- 3.1. Licensee must lawfully obtain the Program from Cogniware or Cogniware's Partner and comply with the terms of this License Agreement.

- 3.2. Licensee ensures the backup copy does not execute unless the backed-up Program cannot execute (to avoid multiple copies running at the same time exceeding the Authorized Use).
- 3.3. Licensee reproduces all copyright notices and other legends of ownership on each copy, or partial copy, of the Program.
- 3.4. Licensee ensures that anyone who uses the Program (accessed either locally or remotely) does so only on Licensee's behalf and complies with the terms of this License Agreement.
- 3.5. Licensee does not use, copy, modify, or distribute the Program except as expressly permitted in this License Agreement. Licensee further does not reverse assemble, reverse compile, otherwise translate, or reverse engineer the Program, except as expressly permitted by law without the possibility of contractual waiver. Licensee neither uses any of the Program's components, files, modules, audio-visual content, or related licensed materials separately from that Program nor sublicenses, rents, or leases the Program.

#### **4. Updates and Fixes**

- 4.1. When Licensee receives an update, fix, or patch to a Program, Licensee accepts any additional or different terms that are applicable to such update, fix, or patch that are specified in its License Information (delivered with such). If no additional or different terms are provided, then the update, fix, or patch is subject solely to this License Agreement. If the Program is replaced by an update, Licensee agrees to promptly discontinue use of the replaced Program.

#### **5. Term and Termination**

- 5.1. This License Agreement is effective until terminated.
- 5.2. Cogniware may terminate Licensee's license with immediate effect if Licensee fails to comply with the terms of this License Agreement.
- 5.3. If the license is terminated for any reason by either party, Licensee agrees to promptly discontinue use of and destroy all of Licensee's copies of the Program. Any terms of this License Agreement that by their nature extend beyond termination of this License Agreement remain in effect until fulfilled and apply to both parties' respective successors and assignees.

#### **6. Charges**

- 6.1. Charges are based on Authorized Use obtained, which is specified in the PoE.
- 6.2. If Licensee wishes to increase its Authorized Use, Licensee must notify Cogniware or an authorized Cogniware reseller in advance and pay any applicable charges.
- 6.3. When Customer acquires Program through the Cogniware Partner, Cogniware Partner may set the charges and the terms governing charges. Customer will then pay such charges directly to the Cogniware Partner. Customer acknowledges that Cogniware may charge the Cogniware Partner for the License based on the Partnership Agreement.
- 6.4. When Customer acquires Program directly from Cogniware, charges for License during are invoiced by Cogniware and paid to it directly.

#### **7. Taxes**

- 7.1. If any authority imposes on the Program a duty, tax, levy, or fee, excluding those based on Cogniware's net income, then Licensee agrees to pay that amount, as specified in an invoice, or supply exemption documentation. Licensee is responsible for any personal property taxes for the Program from the date that Licensee obtains it. If any authority imposes a customs duty, tax, levy, or fee for the import into or the export, transfer, access, or use of the Program outside the country in which the original Licensee was granted the license, then Licensee agrees that it is responsible for, and will pay, any amount imposed.

#### **8. Program Transfer**

- 8.1. Licensee may only transfer the Program and all of Licensee's license rights and obligations to another party only if it is entitled to do so by the PoE or any other agreement or document from Cogniware and only if the new Licensee agrees to the terms of this License Agreement.
- 8.2. However, if the license is terminated for any reason by either party, Licensee is prohibited from transferring the Program to another party. Licensee may not transfer a portion of the Program or the Program's Authorized Use separately. When Licensee transfers the Program, Licensee must also transfer a hard copy of this License Agreement, including the PoE. Immediately after the transfer, Licensee's license terminates.
- 8.3. Notwithstanding the foregoing, Cogniware Partner is entitled to transfer the license rights to its customers, if it has purchased such rights to the Program from Cogniware for the purpose of resale. In such a case, the

customer of the Cogniware Partner to whom such license is resold shall be considered the licensee.

## 9. Warranty and Exclusions

- 9.1. Cogniware warrants that the Program, when used in its specified operating environment, will conform to its specifications. The Program's specifications, and specified operating environment information, can be found in documentation accompanying the Program (such as a read-me file) or in online documentation available at docs.cogniware.com. Licensee agrees that such documentation and other Program content may be supplied only in the English language, unless agreed otherwise between the Parties.
- 9.2. The warranty applies only to the unmodified portion of the Program. Cogniware does not warrant uninterrupted or error-free operation of the Program, or that Cogniware will correct all Program defects. Licensee is responsible for the results obtained from the use of the Program.
- 9.3. Cogniware is not obliged to pay any costs incurred in connection with set up of the claim arisen from the Program defect and is not responsible for any damages incurred due to such defect.
- 9.4. Exclusions:

**THESE WARRANTIES ARE LICENSEE'S EXCLUSIVE WARRANTIES AND REPLACE ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND ANY WARRANTY OR CONDITION OF NON-INFRINGEMENT. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED**

**WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO LICENSEE. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE WARRANTY PERIOD. NO WARRANTIES APPLY AFTER THAT PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO LICENSEE.**

**THESE WARRANTIES GIVE LICENSEE SPECIFIC LEGAL RIGHTS. LICENSEE MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE OR JURISDICTION TO JURISDICTION.**

**THE WARRANTIES IN THIS SECTION 10 (WARRANTY AND EXCLUSIONS) ARE PROVIDED SOLELY BY COGNIWARE. THE DISCLAIMERS IN THIS PARAGRAPH 10.6 (EXCLUSIONS), HOWEVER, ALSO APPLY TO COGNIWARE'S SUPPLIERS OF THIRD PARTY CODE. THOSE SUPPLIERS PROVIDE SUCH CODE WITHOUT WARRANTIES OR CONDITION OF ANY KIND. THIS PARAGRAPH DOES NOT NULLIFY COGNIWARE'S WARRANTY OBLIGATIONS UNDER THIS LICENSE AGREEMENT.**

## 10. Limitation of Liability

- 10.1. Circumstances may arise where, because of a default on Cogniware's part or other liability, Licensee is entitled to recover damages from Cogniware. Regardless of the basis on which Licensee is entitled to claim damages from Cogniware (including fundamental breach, negligence, misrepresentation, or other contract or tort claim), Cogniware's entire liability for all claims in the aggregate arising from or related to each Program or otherwise arising under this License Agreement will not exceed the amount of any 1) damages for bodily injury (including death) and damage to real property and tangible personal property and 2) other actual direct damages, up to the charges (if the Program is subject to fixed term charges, up to twelve months' charges) that Licensee paid for the Program that is the subject of the claim.

This limit also applies to any of Cogniware's Program developers and suppliers. It is the maximum for which Cogniware and its Program developers and suppliers are collectively responsible.

- 10.2. Items for Which Cogniware Is Not Liable

**UNDER NO CIRCUMSTANCES IS COGNIWARE, ITS PROGRAM DEVELOPERS OR SUPPLIERS LIABLE FOR ANY OF THE FOLLOWING, EVEN IF INFORMED OF THEIR POSSIBILITY:**

- a) **LOSS OF, OR DAMAGE TO, DATA;**
- b) **SPECIAL, INCIDENTAL, EXEMPLARY, OR INDIRECT DAMAGES, OR FOR ANY ECONOMIC CONSEQUENTIAL DAMAGES;**
- c) **LOST PROFITS, BUSINESS, REVENUE, GOODWILL, OR ANTICIPATED SAVINGS.**

## 11. Verification

- 11.1. Licensee agrees to create, retain, and provide to Cogniware and its auditors accurate written records, system tool outputs, and other system information sufficient to provide auditable verification that Licensee's use of all Programs is in compliance with this License Agreement, the PoE and other transactional documents. Licensee is responsible for ensuring that it does not exceed its Authorized Use and remaining in compliance with the Terms of this License Agreement.
- 11.2. Upon reasonable notice, Cogniware may verify Licensee's compliance with the Terms of this License Agreement at all sites and for all environments in which Licensee uses (for any purpose) Programs subject to the Agreement. Such verification will be conducted in a manner that minimizes disruption to Licensee's business, and may be conducted on Licensee's premises, during normal business hours. Cogniware may use an independent auditor to assist with such

verification, provided Cogniware has a written confidentiality agreement in place with such auditor.

- 11.3. Cogniware will notify Licensee in writing if any such verification indicates that Licensee has used any Program in excess of its Authorized Use or is otherwise not in compliance with the Agreement. Licensee agrees to promptly pay directly to Cogniware the charges that Cogniware specifies in an invoice for any such excess use, support for such excess use for the lesser of the duration of such excess use or two years, and any additional charges and other liabilities determined as a result of such verification.

## 12. Notices

- 12.1. The Program may include third party code that Cogniware, not the third party, licenses to Licensee under this License Agreement. Notices, if any, for the third party code ("**Third Party Notices**") are included for Licensee's information only. These notices can be found in the Program's NOTICES file(s). Information on how to obtain source code for certain third party code can be found in the Third Party Notices. If in the Third Party Notices Cogniware identifies third party code as "Modifiable Third Party Code," Cogniware authorizes Licensee to 1) modify the Modifiable Third Party Code and 2) reverse engineer the Program modules that directly interface with the Modifiable Third Party Code provided that it is only for the purpose of debugging Licensee's modifications to such third party code. Cogniware's service and support obligations, if any, apply only to the unmodified Program.

## 13. Final Provisions

- 13.1. Nothing in this License Agreement affects any statutory rights of consumers that cannot be waived or limited by contract.
- 13.2. If any provision of this License Agreement is held to be invalid or unenforceable, the remaining provisions of this License Agreement remain in full force and effect. If any provision hereof is or becomes ineffective (void), The Parties undertake to replace such a provision with a new provision. This new version shall meet the intention expressed by the original provision and by this Agreement as a whole.
- 13.3. Licensee agrees to comply with all applicable export and import laws and regulations, including EU and U.S. embargo and sanctions regulations and prohibitions on export for certain end uses or to certain users.
- 13.4. Licensee authorizes Cogniware (and its successors and assigns, contractors and Cogniware Partners) to store and use Licensee's business contact information

wherever they do business, in connection with Cogniware products and services, or in furtherance of Cogniware's business relationship with Licensee.

- 13.5. Each party will allow the other reasonable opportunity to comply before it claims that the other has not met its obligations under this License Agreement. The parties will attempt in good faith to resolve all disputes, disagreements, or claims between the parties relating to this License Agreement.
- 13.6. Neither party will bring a legal action, regardless of form, for any claim arising out of or related to this License Agreement more than two years after the cause of action arose; and upon the expiration of such time limit, any such claim and all respective rights related to the claim lapse.
- 13.7. Neither Licensee nor Cogniware is responsible for failure to fulfill any obligations due to causes beyond its control.
- 13.8. No right or cause of action for any third party is created by this License Agreement, nor is Cogniware responsible for any third party claims against Licensee, except as permitted in Paragraph 11.2 above for bodily injury (including death) or damage to real or tangible personal property for which Cogniware is legally liable to that third party.
- 13.9. In entering into this License Agreement, neither party is relying on any representation not specified in this License Agreement, including but not limited to any representation concerning the performance or function of the Program, other than as expressly warranted in Section 10 (Warranty and Exclusions) above; the experiences or recommendations of other parties; or any results or savings that Licensee may achieve.

- 13.10. The license and intellectual property indemnification terms of Licensee's other agreements with Cogniware do not apply to Program licenses granted under this License Agreement.
- 13.11. Licensee agrees to be listed among users of the Program for reference and marketing purposes.

## 14. Governing Law and Jurisdiction

- 14.1. This Agreement and any dispute or claims arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the laws of Czech Republic. The United Nations Convention on
